

# BK8040

German Technology

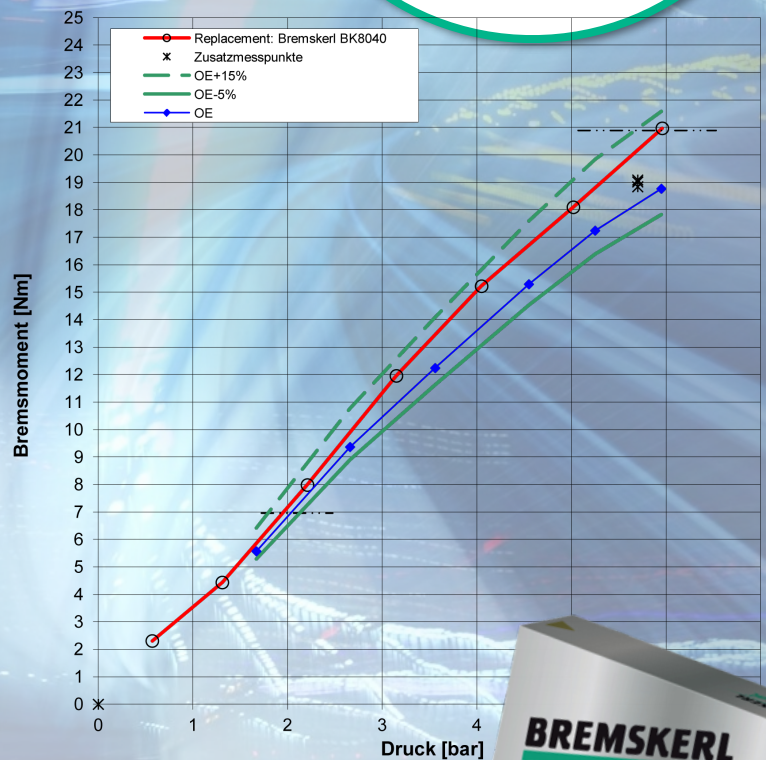

## Quality is our passion!

BREMSKERL present the new Generation of high quality Disc Brake Pads. The new BREMSKERL 8040 is specially developed for mid and heavy CV as well as busses and trailers.

A true all-rounder which brings a premium friction level and exceptional service life. Additionally, the BREMSKERL 8040 quality guarantees lower friction wear rates and counter material wear rates. Furthermore the BREMSKERL 8040 has as standard ECE R90 with the option of R13 approval.

Be assured with BREMSKERL's highest grade OE quality material, which also includes a full fitting kit.
