Since 1929, BREMSKERL has manufactured high quality friction materials for commercial vehicle, industrial and rail applications at both the OE and aftermarket levels. BREMSKERL has 6 facilities and over 300 employees worldwide to serve our customer's needs. All of our materials are non-asbestos, RoHS and REACH compliant.

We appreciate your continued business and trust this program will help to further serve your needs.

Sincerely,

Michael Konrad  
Sales & Marketing Manager
