REACH – Candidate List of Substances of Very High Concern (SVHC)

Dear Sir or Madam,

On 8th July 2021, the European Chemicals Agency has added new chemical substances to the Candidate List of Substances of Very High Concern (SVHC) for authorization. This list now contains 219 substances in total and has been published on the ECHA website under

<http://echa.europa.eu/candidate-list-table>.

Regarding this Candidate List we would like to confirm you the following:

None of products of our company contains any of the substances of very high concern (SVHC), specified in the Candidate List under a.m. ECHA-Link, at a concentration of more than 0.1 mass percentage (w/w).

Yours sincerely

BREMSKERL-REIBBELAGWERKE
EMMERLING GMBH & CO. KG

i.A. *Wirsutzel*

This statement is based on today's state of our knowledge and is intended as information on our products through the supply chain. However, we would like to advise you that our company does not conduct any specific analysis to identify the presence of the above substances.
